OBJECTIVE

My name is Sherif Muhammad. I'm 31 years old. I've studied accounting at the University of Zagazig (class of 2017) and at the AUC. I've also improved my skills in English through courses at the AUC and I've reached level B1. I like to watch movies, listen to music, read books and I have a huge interest in psychology. I also have a background in web development. Looking forward to finding the suitable opportunity for me and I hope to meet your expectations.

EDUCATION

Faculty of Commerce (English Department) University Of Zagazig

- Bachelor's degree in accounting. (Class of 2017)
